

RENEWABLE ELECTRICITY PRODUCTION IN THE WORLD (2023)

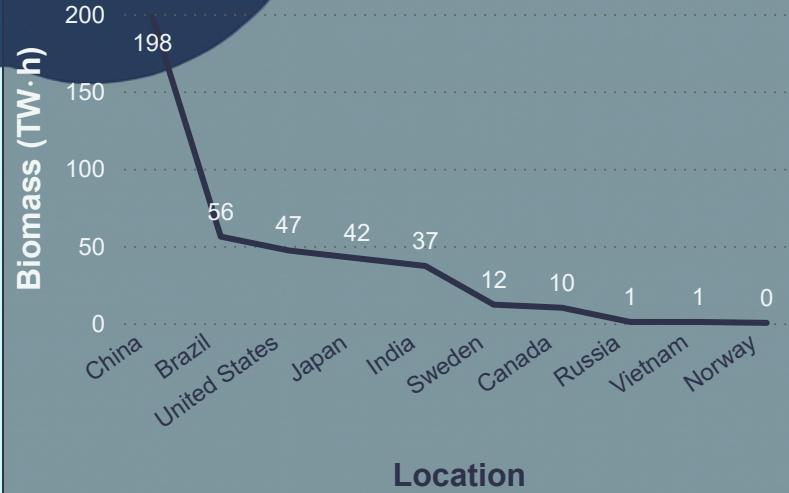

(Source: Wikipedia)

List of Countries by Renewable Electricity Production

Location	Renewable Electricity Produced
World	8,971.00
China	2,894.00
United States	965.00
Brazil	631.00
Canada	421.00
India	382.00
Germany	265.00
Japan	224.00
Russia	209.00
Norway	151.00
Total	17,930.56

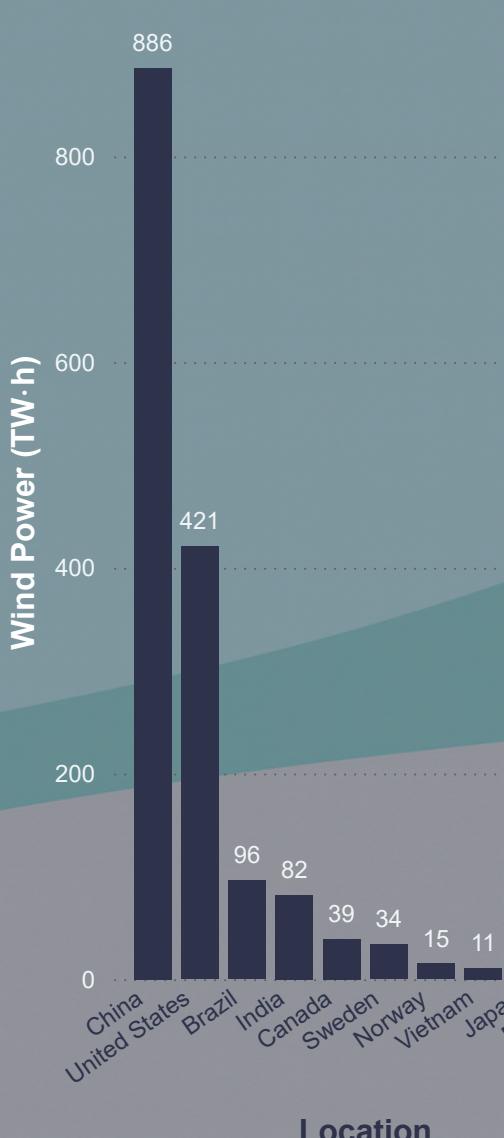

Top 10 Biomass Energy Producing Countries

Biomass Energy (TW·h) by Location

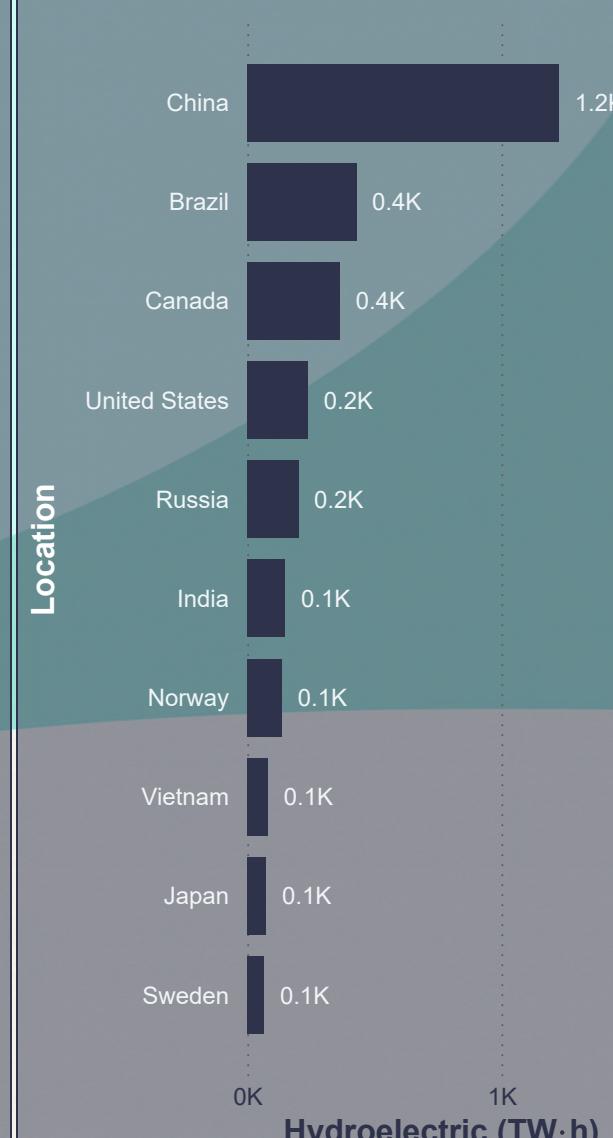

Top 10 Wind Power Producing Countries

Wind Power (TW·h) by Location

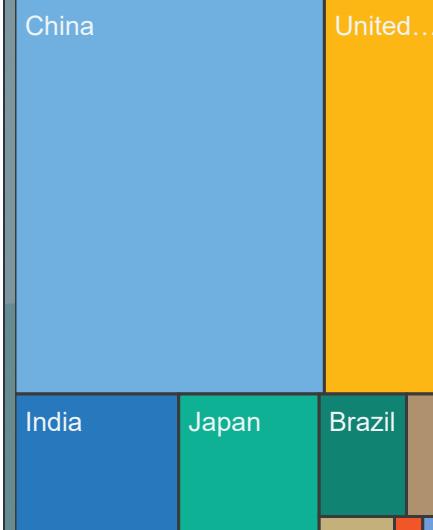

Top 10 Hydroelectric Power Producing Countries

Hydroelectric Power (TW·h) by Location

Top 10 Solar Power Producing Countries

Top 10 Geothermal Power Producing Countries

Geothermal Power (TW·h) by Location
